

We are a strong team!

Bähr Anlagenbau GmbH, located in Düsseldorf, is a dynamically growing medium-sized company, which operates for well-known and marketleading customers throughout europe in industrial electrical plant engineering.

To strengthen our team, we are looking for:

Cable-pull fitter (m/f/d)

Place of work: German-speaking area

The following challenging await you:

- Laying cables and wires in high and low current systems in industry
- Assembly of cable ties, bundle clamps & fastening materials
- Working on scaffolding and using aerial work platforms
- Preparatory work and minor assembly work
- Observance and compliance with safety guidelines and quality

For this demanding position you should be able to provide the following:

- Initial professional experience desirable - manual skills an advantage
- High willingness to travel, changing locations
- Physical resilience, as well as the ability to work in a team and willingness to learn
- Knowledge of German desirable
- Driver's license - car desirable

We offer:

- An exciting/varied field of tasks in a committed team
- Comprehensive and qualified induction including required training
- Strong development opportunities through our in-house training program
- A performance-related salary with development potential
- A permanent, future-oriented job and trusting collaboration in a company with flat hierarchies
