Bähr
Anlagenbau

We are a strong team!

Bähr Anlagenbau GmbH, located in Düsseldorf, is a dynamically growing medium-sized company, which operates for well-known and marketleading customers throughout europe in industrial electrical plant engineering.

To strengthen our team, we are looking for:

Electrical Project Manager (m/f/d)

Place of work: Düsseldorf / hybrid

The following challenging await you:

- Manage assembly projects in compliance with internal company standards
- Responsible for compliance with cost, deadline, safety and quality goals during the course of the project
- Responsible from proper planning to execution
- Negotiations and coordination with customers and suppliers
- Link between internal assembly managers, customers, suppliers and subcontractors
- Calculation of offers

- Personnel planning and decisions during the project

For this demanding position you should be able to provide the following:

- Completed technical training
- Construction site experience in the field of electrical assembly
- Professional competence in the field of electrical engineering (electrical installations / medium and low voltage)
- Good IT-Skills
- Fluent English - desirable
- Traveling

We offer:

- Long-term, secure permanent position
- Varied and responsible tasks
- Specialist training and further training opportunities
- Performance-related pay and development opportunities
- the possibility of a hybrid workplace. You work in the home office several days/week; business meetings take place - after joint planning and coordination - at our headquarters in Düsseldorf.

Direct contact for further questions

If you have further questions about the position, you can contact Tobias Heger (+49 163 4142931 orjobs@baehr-anlagenbau.de) at any time.
