

SGS Plant Services GmbH is a reliable technical partner for demanding shutdowns in refineries and the chemical industry. We support our clients with our expertise throughout their projects. Become part of the strong #SGSteam!

To strengthen our team, we are looking for:

Montageschlosser / Raffinerieschlosser(m/w/d)

Work location: Europe-wide

These tasks await you

- Preparation, assembly, and maintenance of flange connections in refineries and chemical plants
- Assembly and disassembly of various plant components
- Compliance with all relevant safety guidelines and regulations in a potentially hazardous environment
- Ensuring high quality standards in all activities

What convinces us

- Completed vocational training as an industrial mechanic, metalworker, or similar
- Experience in industrial maintenance, preferably in refineries
- Willingness to undertake regular on-site installation assignments, which can last 4-6 weeks each
- Ability to perform physical work and to work in various environments and under difficult conditions

What you can look forward to

- Long-term, permanent position in a crisis-proof company
- Varied and responsible tasks
- Specialized training and regular professional development opportunities
- Performance-based pay and career advancement opportunities

Depending on the place of work, working hours and area of responsibility, a gross monthly salary of up to €5,000 is possible.

Direct contact for further questions

If you have any further questions about the position, you can contact Marco Marco Cataldo (+43 664 915 3 775 oder jobs@sgs-plant.com) at any time.

We look forward to receiving your application!
