

CAREERS

Be part of our international Team

SGS Industrial Services offers industrial assembly and project services internationally. Mechanical assemblies and electrical installations at the highest level, that's what we offer manufacturers as well as operators of industrial plants. 16 locations on three continents enable us to realize customer-oriented projects. With a permanent team of around 800 employees, we work worldwide: **Safe. Global. Fast. We are SGS Industrial Services.**

To strengthen our assembly team we are looking for:

Senior fitter mechanics (m/w/x)

for assignments in **Germany, Belgium, Austria** (with the possibility of worldwide assignments) in the field of industrial assembly

These tasks await you

Installation and service of industrial plants

Production according to the plan and general technical rules

Management of a group of several fitters

What convinces us

- Completed apprenticeship or vocational training in a metalworking profession
- Experience in the field of plant construction or industrial assembly (e.g. plant construction, steel construction, dedusting technology, pipeline construction, conveyor technology, etc.)
- Practice in leading a group
- you are **reliable, cost-conscious and independent**
- Class B driver's license
- Knowledge of English desirable
- Traveling

What to look forward to

- long-term permanent position
- Varied and responsible tasks in an international company
- subject-specific training and further education
- diverse technical challenges
- performance-based pay and development opportunities
- Traveling, getting to know foreign cultures

Depending on the location, working hours and area of responsibility, a gross monthly salary of €4,000 to €7,000 is possible.

Direct contact for further questions
